

Guest Speakers

Bob and Carol Kraning have been active in full-time ministry for the past 50 years. Bob spent 23 years serving Forest Home Christian Conference Center in Southern California; for 14 of those years he led the ministry as Executive Director, and in that capacity spoke at conferences and conventions across the United States and around the world. He is a past President of Christian Camping International, USA division. Bob and Carol are

excellent communicators of the Gospel of Jesus Christ. Their own love for the Lord and their excitement over the Word shows equally from their platform presentations, their personal counseling, and their private life. Bob and Carol were married in 1957 and live in Yorba Linda, California. They have two grown sons and nine grandchildren.

Conference Hosts

Drs. Paul and Virginia Friesen were married in 1976 and have three daughters and a wonderful son-in-law. As the lead resource couple at Home Improvement Ministries, the Friesens regularly speak at marriage, men's, and women's conferences in the US and internationally, as well as local family

and parenting seminars. They have an ongoing ministry with several professional athletic teams, and have authored a number of books and curriculums on parenting and marriage. Paul and Virginia both have Doctorates in Marriage and Family Therapy from Gordon-Conwell Theological Seminary. Their greatest joy in life is knowing that their children are walking in the Truth.

Worship Leaders

Danny Oertli is an accomplished singer, song writer, and author, encouraging audiences worldwide with enriching stories of God's enduring faithfulness. He has performed throughout the world and has worked with many ministries, including Billy Graham, Focus on the Family, and FamilyLife. For

the past seven years, Danny has served as the worship leader for the Dare 2 Share conferences and as a Compassion International spokesperson. He currently lives in Parker, Colorado, with his wife Rayna and their three children.

“They really love each other—and it shows.”

What a great legacy and example for our children and our neighbors, and what a joy to experience with each other! But too often the distractions of everyday life keep us from building that experience and that legacy.

Get away together for Valentine’s Day—to remember how it first was, to celebrate what it is now, and to prepare for what it can be.

This weekend program features lively speakers, engaging workshops, energizing worship, and plenty of time to relax. You will come away renewed and refreshed. Wherever you are in your marriage, this weekend will equip and encourage you in your journey as you build up and live out a “Legacy of Love.”
